Besides the standard models listed above also all derived Modular Concept options are affected by the change.

Other Manta Type-B models as well as all Manta Type-A models with CCD sensors are still manufactured only in our production site in Stadtroda (Germany).

**Change Description**

Manta cameras with IMX CMOS sensors will be manufactured by Allied Vision Technologies Canada Inc. with immediate effect. Correspondingly, labels on cameras and boxes will show "Made in Canada" instead of 'Made in Germany'.

**Reason for Change**

Extending the overall camera production capacities of Allied Vision.
